Mit den Bauelementen, die diese 6 Zusatzpackungen fischertechnik 010-015 enthalten, ist neben der Konstruktion von einfachsten Modellen der naturgetreue Nachbau von Häusern und Verkleidungen, Fassaden etc. möglich.

The building-elements of the 6 supplementary kits fischertechnik 010-015 enable you to build not only simple models but also the exact construction of houses, linings, façades etc.

Ces éléments de construction, compris dans les 6 boîtes complémentaires fischertechnik 010-015 permettent la construction de modèles simples ainsi que l'imitation d'après nature de maisons, de revêtements, de façades etc.
